- Firebase
- NextAuth
- Tailwind CSS
- Git / GitHub
- Office Management
- Troubleshooting
- Problem Solving
- Collaboration

Muhammad Suhaib

Full Stack web Developer

Education

BS Computer Science

University Of Okara

2022-2026

ICS

Concordia College Ellah Abad

2020-2022

Matriculation

Govt. Higher Secondary School Kangan Pur

2018-2020

Experience

Junior Full-Stack Developer (Remote Internship)

NIT-Services, Lahore — April 2025 – June

- Developed a Contributing to a full-stack web application using Next.js, MongoDB, Prisma, Tailwind CSS, and Shadcn UI.
- Assisted in developing and maintaining frontend components with reusable UI patterns.
- Integrated backend APIs and worked with database schemas using Prisma ORM.
- Gained hands-on experience in building responsive, scalable, and modern web applications.

Projects

Developed a full-stack Learning Management System (LMS) using React and Tailwind CSS for the frontend, and TypeScript for the backend. Implemented secure payment processing with Stripe, user authentication with Clerk, and managed data efficiently using Prisma with a MySQL database.

Created a Canva Clone with React, Tailwind CSS, and ShadCN UI for an intuitive and interactive frontend. Built the backend with TypeScript, implemented NextAuth for secure authentication, and used Prisma with MongoDB for flexible data handling. Integrated UploadThing for image storage and Fabric.js to enable rich image editing features similar to Canva.

Developed a Trello Clone using React, Tailwind CSS, and ShadCN UI for a dynamic and responsive frontend. Utilized a TypeScript backend with Clerk for authentication, Prisma with MySQL for database management, and integrated the Unsplash API to enhance the visual experience with high-quality images.

Built a real-time Messenger Clone using React, Tailwind CSS, and ShadCN UI for the frontend, with a TypeScript backend integrated with Pusher for live messaging functionality. Implemented authentication using NextAuth, and managed data using Prisma with a MongoDB database.
